

ST. MARY OF THE IMMACULATE CONCEPTION SCHOOL

2680 Stoney Ridge Road • Avon, Ohio 44011

Phone: (440) 934-6246 • Fax: (440) 934-6250

Dear Parents/Guardians of 7th Grade students in Fall 2015:

Due to immunization requirements of the Ohio Department of Health students entering 7th grade must provide proof of having received a booster dose of tetanus vaccine, T-dap. This is the regular tetanus booster your child would need by age 11-12 years along with a booster dose of pertussis. This is in response to recent outbreaks of pertussis (whooping cough) in Ohio and other states.

Please have your physician/provider complete the bottom of this letter or attach a current copy of your child's immunization record and submit it to the school showing proof of this booster dose. Any updated immunizations that your child needs can be obtained through your private provider or other community providers. The Lorain County General Health District offers walk-in clinics throughout the county. Please visit www.loraincountyhealth.com for a complete list of child immunization clinics. Under Ohio Revised Code 3317.67 the school must have written proof of immunization on file by the 14th day of the 2015-2016 school year.

Thank You,

Jillian Spriestersbach, RN
