

ST. MARY TEC

What:
Browns Squares Fundraiser

When:
Starting Sept 10, 2017
Running 16 weeks

Who:
St. Mary Friends & Family

Why:
Proceeds help our Technology Education Committee fund improvements for classrooms, computer maintenance and new program initiatives

SQUARES MUST BE PURCHASED BY SEPTEMBER 5, 2017

Get your square now so you don't get shut out!

Here's how it works: St. Mary family and friends can purchase 1 of the 100 squares available on the grid. After all squares are sold, random numbers are assigned to all squares (0-9) for each of the sixteen regular season football games. A different set of numbers will be drawn *for each game* and all 16 game squares will be forwarded to you before the start of the season.

Each square costs \$80 for the entire season, SIXTEEN GAMES, (\$5.00/game), entitling the player to win a \$50 cash prize based on the score at the end of the first, second and third quarters and \$100 for the final score. If your name appears in that square you win!

Payouts: \$50 for quarters 1, 2, 3 - \$100 for final Score (64 Chances to WIN) The winning numbers are based on the weekly Cleveland Browns scores.
